

JANUARY 1

Join your Milwaukee Area OA fellows for a New Years Day virtual meeting as we LAUNCH OUR 2025 THEME: **Reaching out our Hands**

Who doesn't want to find love and understanding beyond our wildest dreams!?!

Drawn from the *OA Promise*, our 2025 theme offers many layers to explore:

- Reaching out and opening up to our HP for power and strength
- Joining hands with fellow members...so together we can do what we could never do alone!
- Carrying the message to fellow sufferers by reaching out to wellness professionals: chiropractors, physical therapists, nurses, massage therapists, dentists, fitness trainers, nutritionists and more
- Carrying the message to fellow sufferers and concerned family and friends
- Carrying the message to strengthen our own recovery

This workshop offers voices of recovery, reading, sharing and writing as we explore these layers and formulate an individual Step-12 Action Plan for 2025.

The OA Promise

(from Beyond Our Wildest Dreams, page 207)

I Put My Hand In Yours . . . and together we can do what we could never do alone! No longer is there a sense of hopelessness, no longer must we each depend upon our own unsteady willpower. We are all together now, **reaching out our hands** for power and strength greater than ours, and as we join hands, we find love and understanding beyond our wildest dreams.

All are welcome!
